Agreements

I understand that payments are due on the 1st of the month and will be considered late if not paid and received by the 5th of the month. A monthly late fee of \$25.00 will be assessed on any payments not received by the due date. A \$25.00 returned check fee will be charged on any returned checks. I am responsible for keeping my account current and should I fall 10 days behind, my child will be asked not to return to school until my account is made current. This document serves as promissory note and I promise to pay all payments when they are due. If my child withdraws I am responsible for the tuition for that month or any part of the month. I and my child have read the Parent/Student Handbook and agree to abide by and support the policies of the school. I give my permission for my child's picture to be taken while at school and to be used in school publications.
